A special email account was set up for registration only. "cysaegistrationdirector@yahoo.com" The new database is working now. Medical release form needs to be put into the correct place. Need to test the credit

card portion. The website will go live on Monday. All coaches and board members will need to register. All players need to register as a new player. Can use family account. All U10 competitive players must play in both rec and competitive leagues. Suggest a FAQ that deals with this new U10 rule. No longer honor special requests, except that a coach can coach his/her own child. Flyers will go out next week to the schools.

DIRECTOR OF PUBLIC RELATIONS

Dennis has a portable FM radio station that could be used to broadcast announcements during the fall rec season

Dennis is trying to get an AED at half-price. Cost is \$650. Suggested donations for paying for it and the upcoming car wash. Must have an emergency plan to be able get and operate an AED. Dennis distributed a draft of the emergency plan. He is looking for comments. Dr. Willis is also reviewing the plan. Dennis will email all board members a copy for their review.

CPR class was postponed and will be held sometime later.

Bill Clarkin is sending out sponsorship letters.

DIRECTOR OF FUND RAISING

Revolution sent in an offer to provide a funding stream to CYSA through ticket sales and advertizing directly through links on the CYSA website. The board suggested that the purchaser of the tickets get the funding directly as a cost break on ticket prices. This way it was an enticement to buy tickets at a reduced rate rather than giving the money to CYSA. *Dan will make a counter offer to the Revolution.*
